Past. Present. Future.
Commemorating 50 years of service.

And we couldn't have reached this milestone so successfully without you!

We are celebrating our first 50 years of providing that special Ready Catholic education and we are looking forward to at least another 50 years of continuing to enhance "spiritual formation, academic distinction, and social responsibility in the Catholic tradition." A third generation of Ready alums is now graduating and we will continue to provide a Ready education to generations yet unborn!

As we celebrate this anniversary year, we are encouraged by the dedication of all of those who are members of the Ready extended family: students, alums, parents, grandparents, faculty, staff, and friends—all of whom continue to give so generously of their time, talents, and money to insure that Ready maintains its high standards and allows all who want a Ready education to be able to afford one.

Catholic education has always come with a price tag. In the early years, the religious sisters, brothers, and priests who devoted themselves to the cause of Catholic education helped to defray the costs of that education. Pastors continue to help financially as does the Catholic diocese. But it is the generosity of our loyal community that has enabled us to provide financial assistance to those who would not otherwise be able to attend Bishop Ready.

We are proud of the accomplishments of all of our alums: those whose proficiency has garnered public recognition, those who work quietly in their communities, and those who devote their time and energy to raising their families. The groups obviously overlap and the Ready "brand" flourishes and endures. From small towns in Ohio, to big cities across the United States, and to areas around the world, the Ready grad contributes in large ways and small to promote the virtues and to extend the

knowledge learned at Bishop Ready.

Every donation, from \$25 to \$2500 and more, is appreciated and goes directly to helping our students.

When you donate now, your gift—of any amount—will be doubled by our Challenge Grant. We encourage you to donate now and donate generously because the doubled amount goes twice as far in helping our students!

Every student, those who receive financial assistance and those who don't but know that their classmates and friends are able to enroll and remain at Ready because of financial assistance, appreciates your generosity. Our donors are

wonderful role models for our students; you have reinforced for them the ideas that sharing and sacrificing for a good cause are worthwhile endeavors.

We look forward to seeing you at our events, particularly during this anniversary year. You are always welcome to visit and we encourage you to continue to show your support for Bishop Ready.

We will continue to educate young people beyond our century anniversary. We will continue to promote compassion, dedication to learning, and Catholic virtues with that Ready enthusiasm and loyalty. We will continue to provide financial assistance to those who need it, on a temporary basis or for all four years.

We will continue to rely on your good will and generosity...and we will continue to remember you in our prayers.

Please be as generous as you are able to be and know that another Ready student benefits greatly from your generosity.

Thank you.
