The Ohio State University MD Camp

June 8 – June 26

The Ohio State University

Registration deadline is March 17

MD Camp, sponsored by the Area Health Education Center at The Ohio State University, is looking for applicants for the 2025 MD Summer Camp cohort. MD Camp is a three-week intensive summer camp designed to inspire and motivate students interested in pursuing a career in the health professions, including medicine, biomedical research, and more. MD Camp is an opportunity for rising high school sophomores, juniors, and seniors who might benefit from the intellectual challenge, academic and social development, and experience that it provides. Ultimately, MD Camp strives to increase the number of physicians from backgrounds or areas that are underrepresented in medicine; to that end, they typically accept students who are underrepresented in medicine, whether that be from racial, socio-economic and/or educationally disadvantaged backgrounds, though they encourage all to apply. Scholarships are available based on need and academic merit. [More information.](#)

Miami University Summer Scholars Program

Miami's [Summer Scholars Program](#) provides a rich, early college experience for academically talented rising high school juniors and seniors from across the globe. Students will join an engaged community of learners for an intensive, two-week program on Miami's campus exploring a topic of their choice alongside faculty and professional experts. Participants who later choose to apply to Miami will also receive priority consideration for Miami merit scholarships and the University's premier academic programs — the University Academic Scholars Program and the University Honors Program,

Accounting Careers Awareness Program

NABA student members include college and graduate school students in more than 150 chapters (professional and student) across the country. Just like it's important to have friends on campus, it's highly rewarding and enriching to have a group of peers in the same major or related field as you. You share experiences such as searching for jobs, passing classes, taking school or professional exams, and developing a network of friends and contacts that can help you get through the transition from college to professional life. As a NABA student member you also have the opportunity to attend the annual NABA Regional Student Conferences, where you will be able to network with your peers but also with professionals and leading companies in the accounting and finance fields.

Grove City Chamber Foundation Scholarship

The Grove City Chamber Foundation awards both merit and need based scholarships to high school seniors graduation in 2026 from a public or private high school in the South-Western Schools attendance area or who resides in Grove City.

Deadline: March 13
