## *The Ohio State University MD Camp*

June 12 – June 30

The Ohio State University

Registration deadline is March 31

MD Camp, sponsored by the Area Health Education Center at The Ohio State University, is looking for applicants for the 2023 MD Summer Camp cohort. MD Camp is a three-week intensive summer camp designed to inspire and motivate students interested in pursuing a career in the health professions, including medicine, biomedical research, and more. MD Camp is an opportunity for rising high school sophomores, juniors, and seniors who might benefit from the intellectual challenge, academic and social development, and experience that it provides. Ultimately, MD Camp strives to increase the number of physicians from backgrounds or areas that are underrepresented in medicine; to that end, they typically accept students who are underrepresented in medicine, whether that be from racial, socio-economic and/or educationally disadvantaged backgrounds, though they encourage all to apply. Scholarships are available based on need and academic merit. [More information.](#)

## *Miami University Summer Scholars Program*

Miami's [Summer Scholars Program](#) provides a rich, early college experience for academically talented rising high school juniors and seniors from across the globe. Students will join an engaged community of learners for an intensive, two-week program on Miami's campus exploring a topic of their choice alongside faculty and professional experts. Participants who later choose to apply to Miami will also receive priority consideration for Miami merit scholarships and the University's premier academic programs — the University Academic Scholars Program and the University Honors Program,

Deadline: May 1

## *Summer Opportunities*

The Guidance Office has received many summer educational opportunities from various colleges/universities for high school students. Stop by Guidance for more information.

## *Senior Scholarships*

Seniors must bring a copy of any financial aid awards and scholarships received from colleges/universities to the Guidance Office **before** May 1.

## *Scholarships, Events, & Deadlines*

### *Common App Essay Prompt Support*

This program allows you to start working on college essay prompts with real questions. Past research shows that overall satisfaction with the prompts remains high among students, counselors, and member colleges.

### *Ohio Business Week Applications Now Open*

June 18 – 23

Bowling Green State University

During the week-long residential summer camp, high school students participate in a series of fun and exciting workshops, interact with business professionals, and develop the skills needed for success. Ohio Business Week gives students the opportunity to explore a variety of career options while being immersed in the world of business and entrepreneurship. Participants get a preview of what it will feel like to go to college by living in dorms, working in university facilities, and meeting new people from across the state. [More information.](#)

### *Accounting Careers Awareness Program*

June 11 – 16

The Ohio State University

The Accounting Careers Awareness Program (ACAP-Ohio) is a week-long program for minority high school students interested in exploring careers in accounting and business. Students are introduced to accounting, finance, leadership, and management. Local CPAs and business leaders share their experiences and provide tips for success. [Apply to ACAP online.](#)

Deadline: April 14

## ***The University of Akron "See UA" Camp***

The University of Akron

The "See UA!" camp at the University of Akron is an engaging one-week residential and day summer camp for girls entering the ninth through twelfth grades that immerses the girls in biomedical, civil, chemical, electrical, and mechanical engineering. [More Information](#)

## ***CSCC STEM Career Summer Experience***

**Columbus State Community College**

Columbus State hosts a variety of fun, educational summer programs for high school students, as well as entering college freshmen. With topics ranging from cybersecurity to health care and other STEM fields, these summer camps give students an opportunity to engage in immersive activities and explore exciting career paths.

Programs will be held on the Columbus Campus, depending on the status of the COVID-19 pandemic and CDC recommendations at the time of camp.

[More Information](#)

## ***University of Dayton Summer Programs***

The University of Dayton offers multiple summer programs for high school students interested in engineering, entrepreneurship, and leadership. [Visit the website](#) for more information.

## ***Pharmacy Summer Camp at The University of Toledo***

June 21 – June 23 Cosmetic Science and Formulation Design Camp  
June 12 – June 15 Pharmaceutical Science Camp

Pharmacy Summer Camp attendees will experience hands-on, interactive activities including job shadowing, chemistry and pharmacy labs, faculty presentations, student and career panels, and small group discussions. Campers spend free time at the UT Rec Center and with camp counselors who are current UT Pharmacy students, and compete in a campus scavenger hunt. Application deadline is May 2. [More Information](#)

## ***University of Notre Dame School of Architecture Career Discovery***

Geared toward those who are considering or who have already enrolled in an architecture program, this program allows participants to not only learn architectural history but also the skills and responsibilities required in contemporary architecture practice. During the 13-day program, students participate in design studios, architecture seminars, and field trips to see good architecture first-hand. This program is for rising high school sophomores, juniors, and seniors. All applicants must have completed their freshman year of high school. [More information.](#)

## ***Wright State University Summer Programs***

Wright State University offers many summer programs for high school students, including

- College Test Prep
- Engineering
- Forensic Science
- Performance Science
- Take Action: Leadership
- Writer's Palette

[More Information](#)

## ***John Carroll University***

Learn the JCU story and get info on admission, scholarships, and financial aid. Enjoy a student-led walking tour of campus.

[More Information](#)

## ***The Ohio State University–Newark Buckeye Generation Learning Community***

This is a program for 120 first-generation students transitioning from high school to college who have been accepted to Ohio State Newark. (You are a first-generation college student if neither of your parents received a bachelor's degree.) Apply by April 1.

[More Information.](#)

## ***Otterbein University Introduces Aquarium Track***

Otterbein's program in Zoo and Conservation Science is expanding to include a specialized path for students interested in Aquarium science.

The innovative Aquarium Track curriculum will give students the opportunity to earn either a Bachelor of Science or Bachelor of Arts degree with a focus on aquariums and marine and freshwater conservation. The new Aquarium Track is part of the preeminent undergraduate program in Zoo and Conservation Science in the country and the only program of its kind in the Midwest. [Read more.](#)

## ***Bowling Green State University Media Production Camp***

June 27 – June 30

BGSU Media Production Camp is for rising 9–12 grade students during Fall 2021 who are interested in studio and video film production, audio recording and editing, and radio broadcasting and podcasting. Experience a hands-on, unique learning opportunity with state-of-the-art equipment. This camp is a residential camp. Students are expected to stay on campus in an assigned room while participating in the camp. [Register online.](#)
